What HEMS'25 will offer?

Global Buyer Participation

The Health, Engineering and Minerals Show (HEMS) is set to attract buyers from across the globe, providing a unique platform for international networking and business opportunities. The event provides a dedicated Business-to-Business (B2B) meeting hub.

Showcasing Pakistan's Top Exporters

This event will proudly feature Pakistan's leading exporters in the engineering, minerals and healthcare domains. Renowned manufacturers, innovators, and companies will exhibit their products, and services, highlighting the nation's capabilities on a global stage and fostering collaborations.

Mineral Investment Pavilion

The key feature of HEMS'25 is the Mineral Investment Pavilion. This Lounge will offer the world direct interaction with industry to explore possibilities of business ventures and partnerships.

Industrial Visits

The HEMS'25 will provide a complete experience for the international delegates to visit the relevant industries as per the request across Pakistan.

Industrial Startups

This event will promote innovations and give an opportunity to all the visitors to invest and buy innovative industrial products and solutions.

Gems and Jewellery Show

The HEMS'25 will give a platform for Pakistan's first Gems and Jewellery Show. It will provide an opportunity for the visitors to experience diverse variety of gems stones and jewelry products of Pakistan.
